

## Project Management Professional Certification Prep Hybrid Class

**Open Enrollment Course Offering (Qualifies for 35 hours of project management education)**

**Fees:**

- \$1449 – Tuition and Fees
- PMBOK® Guide-6<sup>th</sup> Edition – Recommended Text (need to purchase on own)
- PMP® Exam Prep-9th Edition, Rita Mulcahy – Recommended Text (need to purchase on own)
- Agile Practice Guide, Project Management Institute – Recommended Text (need to purchase on own)

A Project Management Institute (PMI®) credential can give you an instant advantage in the marketplace. PMI credentials certify your understanding of, and competence in, the PMI Project Management Framework, and show that you know how to define business expectations, determine and provide project status measurements, and drive empowerment across multiple business units. This exam preparation course is designed to help you successfully gain this highly desired PMI credential.

**Series includes:**

- VIRTUAL Classroom Time
  - Interactive recap of the online content
  - Short quizzes
  - Review of homework questions
  - Strategies for obtaining the best answer
  - Games & Activities
- Online Course Module Assignments
  - On demand web-based modules
  - Content with interactive activities
  - Final quizzes after each topic
  - Study aides
  - 6-month access

Instructors: Joyce Ashfeld, MBS, PMP; Dave Roe, M.A, PMP; Liz Sundet, MBA, PMP, CBAP, CSM
