

OASIS-E1 Bridge Module PRICING

This on-demand, computer-based program provides an affordable training solution for professionals and clinicians. Designed as a self-paced, independent course, it is ideal for agency professionals who have already completed OASIS-E training, as it focuses exclusively on updates to the OASIS program. Accessible anytime, day or night, from any internet-enabled computer, this course offers maximum flexibility. Participants receive a certificate of completion upon successfully finishing the course, and the **My CEU Report** feature allows for easy tracking of individual course

- One online self-paced module available 24/7
- 0.5 professional contact hour
- Final Quiz with a required score of 80% or above for successful completion of each module.
- Certificate of Completion awarded for upon module completion
- Unlimited access to the module for 6 months, including completion tracking and continuing education records.
